TOPPAN BEST-SET PREMEDIA LIMITED

Best value prepress production services for publishers of professional books or journals

## About Us

- The Best-set company was started in Hong Kong in 1986 and is now recognized globally for quality, pricing, and customer service.
- Our core strength is in the composition of scientific, technical and medical (STM) materials and academic subjects.
- We produce annually 1,500 book titles and 250 journal volumes. Our clients are publishing houses, university presses, and independent publishers.
- Printing and binding services, as well as copy-editing and project management are available.
- The major production facility of Best-set is located near Hong Kong in the city of Guangzhou. Sales offices are located near London and New York.
- Toppan Best-set is a subsidiary of **Toppan Leefung (Hong Kong) Limited** which is a substantial printing group in Greater China.

## The Best-set Advantages

- Skilled staff experienced in book and journal publishing; responsive and dependable customer service.
- Excellent products and reliable delivery in multiple formats.
- Global pricing.
- Other than English, we can set most European languages, Japanese, and Chinese (both complex and simplified forms).
- We are able to combine prepress with printing and binding services for one-stop shopping.

## Services Offered

- Typesetting and page formatting
- Scanning, sizing, cropping of artwork
- Redrawing of hand-sketched illustrations
- Digitizing backlist titles
- XML and HTML tagging
- Copy-editing
- Printing and binding
- Project management
- Distribution (Fulfillment)
